**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Do not take away the ability for local internet providers to compete! More providers is good for competition and the development of novel technologies, delivery methods, and pricing structures. I recently moved from a location with multiple providers to a location with only one supplier and saw my prices hiked by almost double!

Thank you,

Luke Morris
